SUMMER LESSONS

Please maintain communication with your teacher regarding vacation and camp schedules. Our aim is to complete the equivalent of seven half-hour lessons over the summer period. Should your family require a refund, it will be credited to your account on the September invoice.

Summer lessons will conclude on Friday, August 1st.

LATE SUMMER BREAK

Late summer break will be from
Monday, August 4th through
Saturday, August 23rd.

FALL SCHEDULES

The fall Schedule will be emailed out later this month.

FALL LESSONS BEGIN

Monday, August 25th

Our fall lesson schedule begins on Monday, August 25th.

RATE CHANGES

Just reminding you that it is our policy to have a small rate increase each year in August. Rate increases in August will also reflect changes in 12 month or 10-month families, as well as family vs. individual status. Every 4 or 5 years, because of the way our calendar works, with varying number of days in each month, we end up with a 3 week break in August. Everyone still gets their 44 teaching weeks in the 2025-2026 teaching year and received 44 teaching weeks this last year.

Mark your calendar for our last week of summer lessons July 28 - August 1 and our first day of fall lessons which is August 25th.
