In our lesson program, current 10-month students (taking off the summer session) pay \$12.00 per month per student more than our 12-month students. Families with more than one student enrolled in lessons pay \$4.00 per student/per month less than the single student rate.

Students who have been with us longer often pay a lower rate than those who have started lessons more recently, filling ever fewer time slots. It is our policy to make a tuition increase every August. This year, the increase is \$3.00 per student. You will see this change reflected in your August payment.
