AUGUST 2025

FALL LESSON SCHEDULE

Your fall lesson time will be emailed to you this week. Please contact your teacher right away if you have any questions regarding your fall lesson time.

SUMMER SESSION ENDS

Our summer session ends Friday, August 2nd. There will be no regular lessons given Monday, August 5th through Saturday, August 23rd. Have a great end to your summer!

FALL LESSONS BEGIN MONDAY, AUGUST 25th

Our fall schedule begins with lessons starting on Monday, August 25th. Your lesson time should have been emailed to you earlier this month. If you have a conflict, please contact your teacher right away. We do our best to accommodate everyone's busy schedules.

2025 – 2026 CALENDAR

The 2025-2026 Calendar is also included in this NewsNotes. We will also be emailing the calendar in September as well

SUMMER REFUNDS

Each of our teachers will figure out the number of lessons each of their families received during our seven-week summer session. If your family did not receive the equivalent of seven half hour lessons, we will make an adjustment in your September billing.

Twelve-month students receive 44 lessons per year with monthly charges spread evenly over the year.

BILLING INFORMATION

In our lesson program, current ten-month students pay \$12.00 per student/per month more than our twelve-month students. Families with more than one student enrolled in lessons pay \$4.00 per student/per month less than the single student rate.

Students who have been with us longer often pay a lower rate than those who have started lessons more recently, filling ever fewer time slots. Our products, such as music, office supplies, trophies and ribbons are costing us more as well as our outside performance events. Price increases also reflect everything that our program offers compared to other teaching programs. The other rate increases in August will also reflect changes in 12-month or 10-month families, as well as family vs. individual status.
