SEPTEMBER 2025

WELCOME BACK

Welcome to all our new and returning families. We are looking forward to another great year of keyboard music learning and performances.

2025 – 2026 CALENDAR

You will find our calendar of events for this year enclosed with News Notes. Post it in a convenient location to keep track of our scheduled activities. It is also posted on our website www.nancycree.com

FLASH CARDS !!!

Our teachers will be doing some review work during September to get everyone into high gear. One of the main emphases this month will be note reading. We do some special work with our note flash cards. Good note reading skills are the foundation of good sight reading.

Our special projects and contests motivate students to work on this basic skill and help them get ready to play lots of wonderful new music.

BILLING INFORMATION

In our lesson program, current ten-month students pay \$12.00 per month more than our twelve-month students. This ensures the student's placement in our fall schedules. Families with more than one student enrolled in lessons pay \$4.00 per student, per month, less than the single student rate.

Students who have been with us longer often pay a lower rate than those who have started lessons more recently, filling ever fewer time slots. It is our policy to make a raise in August, each year, for those who have been with us more than 2 years and are not at their teacher's current rate for new students. Rate increases will also reflect changes in 12-month or 10-month and family or individual student status.
