

TWO GRAND SPRING RECITAL CORALVILLE CENTER FOR the PERFORMING ARTS

SATURDAY, MAY 16th
Tina Chapman: 12:30 pm
Nancy Cree: 3:30pm & 5:30 pm

Our Two Grand Spring Recitals show the progress each of our students has made through the year. All students perform on a 9 ft concert grand piano. This is a very rewarding and exciting performance experience.

Students should stay for the entire recital unless special arrangements have been made with their respective teacher. Students and parents get to hear our most beginning students through to our most advanced students. Everyone can see and hear what can be accomplished through the years with their piano playing, which can be a very motivating experience for our younger students. Our Contest Trophies, IMTA Awards, and most importantly, our Senior Recognition plaques are also given during the recital.

Students and families should arrive 10 to 15 minutes before their recital time and find their seats.

We ask students to **“dress up”** for this recital. We will be making this a Zoom event, so all of you can invite family and friends to Zoom in and watch your recital.

EARLY SUMMER BREAK NO REGULAR LESSONS TAUGHT Monday, June 8th through Saturday, June 20th

SUMMER LESSONS June 22nd THROUGH August 7th

LATE SUMMER BREAK August 10th THROUGH August 22nd

SUMMER and FALL TIME CHOICE SHEETS DUE: Monday, May 18th

Please fill out the e-mailed time choice sheets for the SUMMER and FALL sessions. Return them by Monday May 18th. **Those returned by May 18th will be scheduled first.** Those coming in after May 18th will have to work around the lesson openings left. Our summer session runs from June 22nd through August 7th. Our 12-month students receive 7 lessons in the summer. Teachers work out lesson times around camp and vacation schedules. We can be much more flexible in the summer and work out special units of study for students who will be gone for more than a week or two.

Summer lessons are important for all students, especially for our beginning students.

Ten-month students will be given new music and some ideas to keep them playing throughout the summer.

BILLING INFORMATION

Currently, in our lesson program, 10-month students pay \$12.00 per month more than our 12-month students. This ensures the student's placement in our fall schedules. Our 10-month plan includes thirty-seven lessons, late August through the end of May, which is billed in ten equal monthly payments. Our 12-month plan includes forty-four lessons billed equally over the calendar year. This includes a 7-week summer session in June and July.

ALL students must take the equivalent of 7 lessons during the summer session to maintain your 12 month tuition rate. Fewer than 7 lessons will cause your monthly rate to increase by \$12.00 per student/per month. This increase will occur during the month of August.

We encourage you to think about taking lessons over the summer. Consistent playing throughout the year benefits your child in their musical learning.
