FALL LESSON SCHEDULE

Your fall lesson time is included in this email.
Please contact your teacher right away if you have
any questions regarding your fall lesson time.

SUMMER SESSION ENDS

Our summer session ends Friday, August 7th.
Have a great end to your summer!

FALL LESSONS BEGIN MONDAY, AUGUST 24th

Our fall schedule begins with lessons starting on
Monday, August 24th. Your lesson time was emailed
to you last month and is attached to this email as well.
If you have a conflict, please contact your teacher right
away. We do our best to accommodate everyone's
busy schedules.

2026 – 2027 CALENDAR

The 2026-2027 Calendar is also included in this
email. We will also be emailing the calendar in
September as well

SUMMER REFUNDS

Each of our teachers will figure out the number of
lessons each of their families received during our
seven-week summer session. If your family did not
receive the equivalent of seven half hour lessons, we
will make an adjustment in your September billing.

Twelve-month students receive 44 lessons per
year with monthly charges spread evenly over the year.

BILLING INFORMATION

In our lesson program, current ten-month students
pay \$12.00 per student/per month more than our
twelve-month students. Families with more than one
student enrolled in lessons pay \$4.00 per student/per
month less than the single student rate.

Students who have been with us longer often pay a
lower rate than those who have started lessons more
recently, filling ever fewer time slots. Our products,
such as music, office supplies, trophies and ribbons are
costing us more as well as our outside performance
events. Price increases also reflect everything that our
program offers compared to other teaching programs.
The other rate increases in August will also reflect
changes in 12-month or 10-month families, as well as
family vs. individual status.

If you have any questions, you can email Tina at West
