

WELCOME BACK

Welcome to all new and returning families! We are looking forward to another great year of keyboard music learning and performances.

BILLING INFORMATION

In our lesson program, ten-month students pay \$12.00 per month more than our twelve-month students. Families with more than one student enrolled in lessons pay \$4.00 per student/per month less than the single student rate.

NEW MUSIC

Students have many different opinions on music, especially what they do and don't like! If your student expresses interest to you in playing a piece that may not be considered "traditional," please let me know and I will do my best to find a copy of it! It's much easier to find a large variety of music than ever before, and students are more likely to play at home pieces that they know and love.

FLASHCARDS!!!

Through the month of September, all students will be reviewing their flashcards. Allison will review them each week to work toward a goal. Once the goal is achieved, students will earn a prize! Reviewing flashcards should be included in daily practice.

PIANO TUNING

Fall is a great time to have your piano tuned. The changing temperature and humidity affect the wood inside acoustic pianos. If you need a recommendation for a good tuner, please contact Allison or West Music.
